When you ANSWER PROMPTLY

—you increase the effectiveness of America's war machine!

Every mile of telephone wire, every piece of equipment, is part of America's war machine. War work has given the lines more calls to handle than they have ever handled before. More wires, more switchboards could be used, but to manufacture them would take important materials away from the shooting side of war.

But the existing network can handle far more calls *if each call is answered as promptly as possible.*

We now handle on the Pacific Coast more than 12,400,000 calls a day. Two seconds saved on each call would enable us to handle over 160,000 more calls daily. That would be an effective contribution to the war effort.

Will you, in home or office, do what you can to help save these important seconds in telephone time?

We appreciate your co-operation.

S.C. Recreation To Be Supervised

SAN CARLOS—Mrs. Hal Harden, recreation leader, will be at the Recreation Center here all this week during the school vacation, Director Ralph Shaw said today. She will be on hand from 9 a.m. to 5 p.m. to assist in supervising games, softball, badminton, tennis, etc.

Mrs. Harden will be at the park every afternoon after school is resumed.

The recreation commission meets tonight when members will make plans for a summer program. The commission is trying to locate a teacher who will be available during the summer months as a supplemental supervisor at the park, Shaw said.

Funds were recently granted to augment the recreation program but the problem now is to find helpers, Shaw explained.

RED CROSS: O. H. Olson Will Head Menlo Park-Atherton Branch Activities

O. H. Olson, superintendent of schools in Menlo Park, is new chairman of the Menlo Park-Atherton branch of the American Red Cross, succeeding Mrs. Peter E. Bush. Mrs. Bush, retiring after 12 years of service, becomes vice chairman.

At the annual meeting of the branch Monday night, members gave Mrs. Bush a standing vote of thanks.

Miss Meta A. Wolters, who was re-elected treasurer, also has a record of 12 years in office. Mrs. Carol Devol was made honorary vice chairman and Mrs. Eli Wiel was elected secretary.

Following is the board of directors as now constituted: Mrs. W. J. Mahaney, Mrs. Floyd Beach, Mrs. J. L. Rogers, Mrs. J. F. Cuddy, Mrs Clinton LaMontagne, Mrs. DeLancey Lewis, Mrs. L. T. Withgitt, Mrs. Edward McNear, Thomas F. Cuff, Dr. Ruth Tangier Smith, Mrs. Charles Merrill, Mrs. Frank Short, Mrs. Richard Schmidt Jr., Frank Walker, L. L. Johnson, Mrs. H. X. Baxter, Mrs. Donald Fisher, Mrs. Storey Wright and Mrs. Mervin Rosenbaum.

Reports were submitted by L. L. Johnston, disaster relief chairman; Mrs. Edward H. McNear, first aid; Mrs. Frank J. Cuddy, juniors; Mrs. Holbrook Bonney, camp and hospital committee; Fire Chief Thomas Cuff, first aid stations; Mrs. J. T. Withgitt, production; Miss Meta Wolters, treasurer.

Mrs. McNear said 43 standard first aid classes had been given and 11 advanced, while five were in progress. Five junior classes have been conducted. Of the 948 certificates issued, 774 were standard, 150 advanced, and 37 junior.

Mrs. Cuddy, outlining the juniors' work, told of the sweaters, ice bag covers, bed pads, tray cloths, baby blankets, afghans, cartoon books, crossword puzzle books, bandages and other articles made by youngsters at the Sacred Heart convent, Ravenswood School and Menlo Park schools. The juniors also collected scrap metal, raised money, helped with the membership drive and War Fund campaign, made Valentines and Washington's Birthday favors for hospitals and helped in other ways. Ravenswood, Las Lomitas, Central, Fremont, Peninsula, St. Joseph's, Sacred Heart and Portola schools and Menlo Junior College gave $351.91 to the Red Cross War Fund, she said.

Mrs. Withgitt's report included an impressive list of articles made for civilian use, including 431 children's sweaters and 393 girls' skirts.

Total disbursements for the year were reported by Miss Wolters as $2350.38, leaving a balance on hand of $472.36.

Stanford To Offer Preflight Course

Stanford University will train high school teachers to instruct youth in the San Francisco area in preflight aeronautics, the university announced today.

The training program, offered at the request of the Civil Aeronautics Administratioin, through Stanford's School of Education, will begin May 1. Classes will meet Saturdays and Wednesday evenings for eight weeks.

It is open to high school teachers in the bay area regardless of what subjects they are now teaching, L. B. Kinney, acting dean of the Stanford School of Education said. The course is also open to regularly enrolled Stanford students who may receive university credit.

Cigarets For Servicemen

A regular package of 20 Chesterfields free to 50,000 men each week—a million free cigarets a week for Victory—that's Chesterfield's message of good cheer to our fighting men at the front.

With the slogan "It's Victory Tunes for the boys over here and Victory Smokes for the boys over there," Liggett & Myers Tobacco Co. makes this announcement five nights a week over the regular Fred Waring "Pleasure Time" radio broadcast (Mondays through Fridays on the National coast-to-coast network)—and also three nights a week on the Harry James program (Tuesday, Wednesday and Thursday, Columbia coast-to-coast network).

The sending of a million Chesterfields, week after week to 50,000 fighting men, in foreign bases where smokes are hard to get and supplies not too frequently delivered, is largely the result of the radio public's interest in Chesterfield's outstanding radio shows.

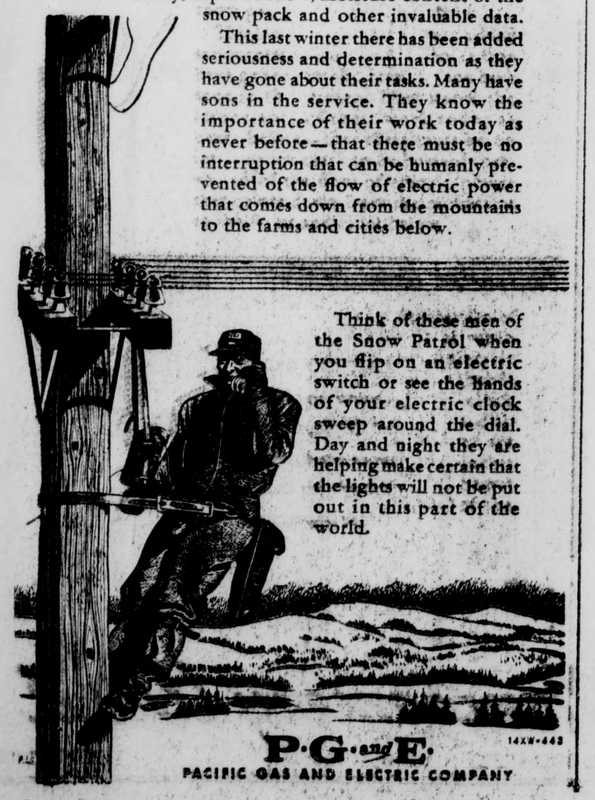
SNOW PATROL
at J-7

Like the sweep of the hands around the clock, day and night men of this company's Snow Patrol have spent the winter in the high places where hydroelectric power is born. Up and down canyons and ravines and skirting lakes and forebays these men in lonely vigil have followed the mountain freshets, the flumes, ditches and power lines.

SOME OF THESE MEN help maintain feeding stalls for deer in cooperation with the U. S. Fish and Game Commission. From their outpost stations, too, they make daily reports to the U. S. Weather Bureau as to wind velocity, depth of snow, moisture content of the snow pack and other invaluable data.

This last winter there has been added seriousness and determination as they have gone about their tasks. Many have sons in the service. They know the importance of their work today as never before—that there must be no interruption that can be humanly prevented of the flow of electric power that comes down from the mountains to the farms and cities below.



Think of these men of the Snow Patrol when you flip on an electric switch or see the hands of your electric clock sweep around the dial. Day and night they are helping make certain that the lights will not be put out in this part of the world.

Easter Food Guide

FOR IDEAS TO CELEBRATE EASTER
Read this week's Julia Lee Wright article in the Family Circle Magazine. It gives tempting ideas and recipes for an Easter dinner as well as hints on decorating Easter eggs—1943 style. The Family Circle is out every Tuesday. Get *your* copy *free* at Safeway.

Bright beginnings for Easter Morn

Gayly colored eggs, clever little favors, small gifts and a special kind of breakfast—they're all bright beginnings for Easter morning. And Easter offers such a fine theme for entertaining family or friends, for food and decorations seem to just naturally lend themselves to such an occasion.

Even with rationings and restrictions, it's possible to plan a simple breakfast such as the one we have given here—hearty, yet delightfully festive.

FOR AN EASTER BRUNCH

*Easter Sunshine Egg Nests
with Bacon, Sausage or Ham if available
Hot Cross Buns Jelly or Jam
Festive Compote
(Mixed canned or fresh fruit served in sherbet glasses dessert fashion.)
With a Basket of Bunny Cookies
Milk Tea Coffee

The Easter Sunshine Egg Nests are made of bread cases which are made-to-order-food for using unsliced bread. They can be used for creamed dishes as well as for eggs by browning the cases before filling. When you serve them, remember to tell your guests that cases and filling are eaten together.

TO MAKE EASTER SUNSHINE EGG NESTS

Trim crusts off a day-old 1½-pound pullman or large loaf of enriched white or wheat bread. Cut into 6 slices about 2 inches thick. With a sharp knife, hollow out the center of each block of bread, leaving a ½-inch wall on the sides and bottom. Dot inside of the cases with softened butter. Drop 1 or 2 eggs into each case. Season with salt and pepper and dot top with butter. Bake immediately on a cookie sheet or drip pan in a moderate oven (350° F.) 25 minutes or until eggs are set and cases browned. Serve hot on heated dishes. Serves 6. *Note:* These cases may be made the night before. Bake longer at lower temperature for firmer eggs.

FOR TABLE DECORATIONS

Made-to-order decorations for Easter morning may be real blossoms if you are fortunate enough to have them, or a transplanted bare twig decorated with pastel crepe paper blossoms. Use a small twig with a blossom attached on white cards for place markers. They are gay and spring-like and score another bright beginning.

DO SOMETHING WITH EGGS

And dyed or decorated egg *shells* have their place on the Easter table, too. Prepare by washing eggs thoroughly to remove oils adhering to the shell. Then crack small end and peel back enough of the shell to permit the egg to drop through. Wash inside immediately with cold water and *shell* is ready for dyes and trimmings.

Eddy To Appear In S.F. Apr. 27

SAN FRANCISCO — Nelson Eddy, idol of opera, screen and radio, whose career is one of the sensations of the American stage, returns to San Francisco as one of the two remaining attractions appearing under the sponsorship of the San Francisco Opera Association for April. Mr. Eddy will sing at the War Memorial Opera House Tuesday night, Apr. 27.

Eddy's struggle to ascendancy is another Horatio Alger story. Born of Puritan background in New England, he struggled through various jobs on a newspaper — reporter, copy-reader and advertising writer. In the meantime, he took a "correspondence" course in music. His first chance came in Philadelphia when he won a competition, the prize of which was to sing the role of Amonasro in "Aida." His first appearance determined his success.

In rapid succession, he sang various roles in light opera, then scored successes in the concert field, radio and motion pictures. One of his first major appearances was in San Francisco, where he appeared as guest artist of the San Francisco Symphony. It was shortly after this that he began to climb to the heights, where today he stands secure as one of America's most popular baritones.

The second of the April attractions is the dynamic team of duo-pianists, Vronsky and Babin, whom critics acclaim as the most brilliant two-piano team of the generation. Well known from their appearances on the radio and with the New York Philharmonic as soloists, in private life this team is Mr. and Mrs. Victor Babin, and live in a small town named Tesunque in New Mexico. Mr. Babin makes the facetious remark that "In Europe, man is composed of three parts—body, soul and passport." Here the artists found a land where liberty and freedom are theirs.

Vronsky and Babin will be heard in concert at the Curran Theatre, Sunday, Apr. 25, at 2:30 p.m.

Tickets for these two outstanding events, may be purchased at the Opera House Box Office, Sherman, Clay & Co., EXbrook 8585.

R.C. COUNCIL: Yachting Enthusiasts May Be Allowed Later Operating Hours

Redwood City yachting enthusiasts have in prospect today the possibility that they may be allowed to use their water craft later in the evening than has been possible in the past few months.

The Redwood City City Council this week referred to the recreation committee the suggestion of Councilman Carl Britschgi that the yacht harbor closing rule be relaxed and suggested that its members contact yacht owners to determine the advisability of such a move.

Present orders call for a 7 p.m. closing time. Britschgi pointed out that yachtsmen are required to have Coast Guard certificates before they can be on the water, and said that with days getting longer during the summer months it was light after the present 7 o'clock closing time. He pointed out that if the closing rule were relaxed, yachtsmen could use their craft in the evening after dinner or could make checkups on the boats on Saturday nights in preparation for Sunday yachting.

The council last night voted in favor of a lease to Emil DeHoff for property known as the boat works at the yacht harbor, in accordance with arrangements made in August, 1938, subject to approval of the port commission, which meets tonight.

In July, 1938, the council accepted a bid from DeHoff to lease the boat works property and authorzied by ordinance a lease to him for five years from Aug. 1, 1938, at a rental of $50 a year for the first two years and 5 per cent of appraised value for each of the next three years. It was agreed that he would render services in repair of water craft of lessees of berths at the yacht harbor at reasonable rates.

The ordinance also provided that DeHoff had an option to extend the lease for an additional five years. No lease can be found, however, necessitating the drawing up of a new lease, councilmen learned.

The traffic study committee notified the council it had decided to abide by the ruling of the Safety Commission of Department of Highways and the California Highway Patrol that the hours of operation of traffic lights on El Camino Real be left as they are at present.

Mayor Floyd D. Granger contended that the traffic lights on El Camino Real are not synchronized and Police Chief C. L. Collins was instructed to investigate the matter.

Councilmen voiced their dissatisfaction with the railroad crossings in Redwood City. City Mgr. Robert W. Mead said he was investigating the matter and it was put on the agenda for the next meeting.

Mayor Granger suggested that a strip at the former Redwood City Airport be designated as an emergency landing. The suggestion followed by one week the emergency landing at the old airport of Lt. Lowell K. Breuland, 25, piloting a swift army pursuit plane. The airport has long since been abandoned, the pilot discovered—after skidding half a mile into the Friendly Acres subdivision. The Civil Aeronautics Authority will be contacted on the matter.

Mayor Granger suggested that bonds owned by the city be converted into war bonds. City Manager Mead and City Clerk Ralph S. Dodge are to look into the matter.

MOORE IMPROVES

Dep. Sheriff Walter Moore of Redwood City who has been confined to Palo Alto Hospital with a serious intestinal ailment, was reported to be in much improved condition today.

EXCHANGE: Easter Hunt Cancelled

The annual Redwood City Easter Egg Hunt conducted by the Exchange Club today was listed as a war casualty.

"No eggs, no candy," President Lloyd O'Donnell informed the club this week.

Fred Gatchel, Sequoia High School instructor, discussed Washington viewpoints on current problems.

"There are people in this community not in the vein of constructive thinking," he warned. "Inharmony is effective sabotage. Keep on your toes, be sure you're right, then talk plenty loud. No real economic or social gain can be made if the security of American people is endangered."

T. N. Thompson was chairman.

Redwood City Man Faces Jail Term

Vernon G. Peppin, 22, 2401 El Camino Real, Redwood City, today had been sentenced by Judge E. I. McAuliffe to 15 days in the county jail on a petty theft charge.

A complaint filed Tuesday by John McGregor of Menlo Park stated that Peppin took automobile parts belonging to him valued at $45.68. Peppin was arrested by San Jose police on a warrant from the Redwood City Police Department. He pleaded guilty before Judge McAuliffe Thursday.

INSTRUCTION: Menlo Park Schedules Series of Classes

MENLO PARK—The first aid class for civilian defense personnel in the Menlo Park area which began last Wednesday will be a standard 20-hour course, and the classes will be held each Monday and Wednesday evening at 7:30 at the firehouse on Manhattan Ave. near Bayshore Hwy.

A class in fire protection will also be held at the fire house on May 2, with Menlo Park Fire Dept. members as instructors.

Chemical warfare classes will be held at the Ravenswood School on May 9, and the general civilian defense course will be given there on May 16.

This will enable all new civilian defense members and those who have missed some training to complete their training by May 30.

The East Palo Alto sector needs a number of women to act as day wardens, and also more men wardens. The auxiliary police service needs 10 recruits in this sector. Volunteers should call Floyd Baker, precinct captain, P.A. 2-1915, or F. E. Crafton, auxiliary police head, P.A. 2-3726.
